Date: 6th December 2021

Dear Parents/Guardians,

As another academic year draws to a close, we thank God for His bountiful blessings and for His watchful care and constant protection in our lives and in the lives of our beloved children.

I take this opportunity to express my heartfelt gratitude to our teachers, parents, support staff and all our well-wishers, for their infallible support and cooperation in all our undertakings especially during these challenging times. We look forward to your continued benevolence in the coming year also.

The vision of our Mother Foundress, St. Claudine Thevenet was to mould young girls into women of faith, courage and dignity so that they could step into the world with the conviction and confidence to fulfil their dreams. These young girls would stand as beacons of the virtues of St. Claudine and would be a blessing to all those they would meet in the journey of life. The dream of St. Claudine lives on at Convent of Jesus and Mary, Waverley, where, it is our mission to realise the vision of our Mother Foundress. We aim at ensuring that our students exude the values that we stand for and that they leave an indelible mark on the lives of each and every person that they meet. We at Waverley, strive to ensure the overall development of each of our girls, grooming them into capable and well-adjusted young ladies who have the zeal and ability to face every challenge that life has to offer.

We can only be successful in our endeavours with your unrelenting support and encouragement.

The past two years have been incredibly tough for the entire world. We are grateful to the Almighty for protecting all of us during this harrowing phase. We offer up our hearts in prayer for the repose of the souls who lost their battle to this deadly disease. We also pray for solace for the affected families.

As we stand on the threshold of another academic session, we hope and pray that the worst of this pandemic is behind us, and that the coming year brings with it hope, positivity, freedom and the normalcy we are all waiting for, especially for the sake of our dear children, who have perhaps lost the most in these two years, be it academically, personally or emotionally.

Cont...2
